and were engaged in training in the barracks yard, supervised by 40 to 45 lieutenants and senior lieutements and 2 majors. On 12 March, another unit of an estimated 150 men wearing dark red epaulets, dark blue spaulets and red-bordered black epaulets was determined at the installation. These KVP troops were apparently employed as guard and administrative personnel. The ration supply dump at the installation also supplied the installation at Sternbuchholz. The headquarters included Soviet officers from major up to and including colonel who wore KVP uniform with dark-blue collar patches, and Soviet officers in Soviet uniform who were red-bordered black epaulets. The

ranking officer was a general who wore a large silver star on the epaulets and a golden

On 10 Merch. 30 to 35 trucks including 4 radio trucks belonged to the installation.
